

Get prepared

GET INTO HSC CHEMISTRY ENRICHMENT

Macquarie University will be holding a Higher School Certificate (HSC) Enrichment Program to assist high school students in preparing for their HSC Chemistry exams. This exciting one-day program will be for Year 12 students sitting their HSC in NSW and the ACT in 2017.

The HSC Enrichment Program will be presented by Macquarie University academics on core subject areas of the HSC Chemistry syllabus. Students will be provided with a booklet for each session, which will be a valuable study resource.

Chemistry Enrichment Day

Wednesday 12 July

8:30am – 9am	Registration
9am – 9:10am	Welcome
9:10am – 11:20am	The Production of Materials Ethene, Polymers and Ethanol Electrochemistry
11:20am – 11:40am	Morning Tea (will be provided)
11:40am – 1:30pm	The Production of Materials (continued) The Acidic Environment
1:30pm – 2:10pm	Lunch (students to provide)
2:10pm – 4:10pm	Chemical Monitoring and Management Monitoring and Management in the Chemistry Industry Chemistry and the Atmosphere and Monitoring Water Quality
