

Resilient Leaders Workshop

Red Cross will be running the **Resilient Leaders** workshop in the City of Onkaparinga on Fridays 22 and 29 June 2018.

Over the two days, you will learn about:-

- South Australian emergency management processes,
- The psychosocial or human impacts of emergencies, and
- How you can support your community in preparing for, responding to and recovering from emergencies.

This free workshop includes interactive activities, stories from real disasters and a panel discussion with a number of emergency management agencies.

At the conclusion of Resilient Leaders, you will have new skills and knowledge that will enable you to better support your community through emergencies. You will have the opportunity to plan what can happen in your community and what supports will be needed from others.

Red Cross staff and volunteers are experienced in supporting communities in emergency preparedness, response and long term recovery. There are no costs for participants, as Red Cross is delivering the workshops as part of the disaster resilience partnership with the City of Onkaparinga. Looking forward to seeing you there.

When: Fridays 22 and 29 June 2018.

Where: The Civic Area Noarlunga

Time: 9am to 4pm

RSVP: To register please contact **Learning and Development at** LearningandDevelopmentReg@onkaparinga.sa.gov.au (please note this is the correct spelling of the email address)

Morning tea and lunch is provided. As numbers are limited, please be quick to register your attendance. Please note that participants are asked to commit to the full two days to minimise disruption for others.
