THE UNIVERSITY OF SYDNEY

E12 scheme applications are now open!

Early offers available to 74 courses

Dear John,

We write to advise that our Early Offer Year 12 (E12) scheme, which offers a scholarship and ATAR concessions, is now open for applications.

This year, schools are able to each nominate up to 30 students, and students interested in applying for an early offer through the E12 scheme can now choose between 74 courses.

If your school is not automatically eligible for E12, we encourage you to identify eligible students from low socio-economic backgrounds who you think meet the selection criteria and in your view would succeed at the University of Sydney.

Please let your students know that the online application is now open on our website and they have until **5pm, Friday 1 September 2017** to apply. The online application form can be found here. The E12 application Hints and Tips resource for your students can be found here.

E12 application process and deadlines

1. Student applies online by 5pm Friday 1 September 2017.
2. You will receive an email notification with a link to view their submission.
3. You will be invited to make a nomination in support, or otherwise of their application by **11.59pm on Wednesday 6 September 2017.**
4. Applications are assessed by a selection panel at the University.

We look forward to working with you to make genuine opportunities available to talented and enthusiastic young people as they embark on the next step of their education.
