GREAT FUN

Welcome to another camp Australia newsletter

We have been having a lot of fun at after school care since the return from school holidays, the children have had the opportunity to help shape their learning through assisting in setting up of our afternoon program each day, this allows children to have a voice and feel supported and also allows the staff to gain an understanding of the children's interest as a group but also as individuals.

We would also like to introduce Daniel he is the assistant at afterschool care Monday through Thursday from now on and is looking forward to getting to know all of the afterschool care families in the coming weeks.

We will be starting a large craft orientated program in the lead up to Christmas with the children having the opportunity to explore what Christmas means to them individual so get ready lots of craft to make its way home to you soon.

Also, just a side note the children are required to wear a hat for outdoor play in term 4, your child can bring it with them each session or you may leave one at afterschool care, we are happy with either options.

For any questions or inquires please feel free to ask one of our friendly staff.
