

Commitment to Program

We are very excited about the introduction of our 1:1 iPad program in Year 4 and the continuation of the program in Year 5 & 6 in 2016.

We ask that all parents read through the 'Information Booklet' (which can be found at <http://ops1to1ipad.global2.vic.edu.au>) to help you understand the reasoning behind this initiative and to better understand how this program will be implemented.

There are two main options for parents as displayed over the page. Please fill out the option relevant to your child and return it to school by **Friday 4th December**.

Ormond iPad Webstore

To make the purchase of iPads and covers as easy as possible for parents, JB Education have designed and built a webstore for our 1:1 iPad Program. Parents can log onto the store and choose the relevant products they wish to purchase. On the site will be a choice of iPads, the option of 2 year Warranty and Insurance, a choice of recommended protective covers, as well as bundle deals to suit each particular need and preference.

To login to the store, use the site address and code provided below.

Code: OPS2016

We have tried very hard to find our families the cheapest options available.

If you purchase your items before 25th November, you will increase your chances of receiving them before Christmas.

All items purchased at the webstore after this date will arrive in stores in January ready for the beginning of the 2016 school year.

OPTION 1 - Provide a purchased iPad through the school webstore

If you are choosing to provide a purchased iPad through the school webstore for your child next year, please fill out this form and return it to the school, along with the *Acceptable Use Agreement* by **Friday 4th December**:

☐ We will be providing a purchased iPad through the school webstore for _____ (student's name / class). We understand that this iPad needs to be available for use at school each day and will need to have an iTunes account with relevant software loaded onto it for school use.

☐ We have read and signed the Digital Technologies *Acceptable Use Agreement*
