SPARK!

StrengthPurposeAdventureResilienceKnowledge

SPARK! is a group designed to help young people **learn about themselves, explore values,** manage **life's ups and downs,** and **develop a meaningful direction,** in a **fun and interactive way.**

SPARK! uses a range of experiential activities, including **art** and **games,** to provide skills and learning.

No artistic skills are required!

SPARK! is based on Acceptance and Commitment Therapy (ACT), which is a **unique** and **creative** model for therapy and coaching, and involves the exploration of mindfulness and values.

The aim of **SPARK!** is to create a rich and meaningful life, while accepting the struggles that inevitably go with it.
