

The *Tour of Hope* is an international charity which seeks to inspire children to work hard and dream big through sports.

We would like to invite your school's students to take part in a free, once in a life time soccer training clinic with internationally renowned athletes, including former members of the Brazilian national team.

Join Brazilian soccer superstars, like Antonio Da Silva, Silas, Marchino and Mineiro, for a coaching clinic designed to inspire young people to reach for their dreams through discipline and hard work. These stellar athletes have competed in multiple World Cups and represented world class teams, including: Chelsea, AC Milan and Borussia Dortmund.

This training clinic will be held on **Sunday October 21, 2018, at the Veneto Club in Bulleen. Address: 191 Bulleen Rd, Bulleen VIC 3105.**

If members of your school community might be interested to learn from the best, we would ask that you please circulate the attached flyer, and contact details / Facebook page, throughout your school.

Paces limited, RSVPs essential. Please Contact - tourofhope@gmail.com or 0474 704 992.
